

Find Out What's Happening in YOUR Neighborhood!

Join us for the 2011 University Heights Association Annual Meeting

WHEN: Sunday, January 30, 2011, 2:00 p.m.

WHERE: The Outpost Performance Space
210 Yale St. SE (two blocks south of Central)
(Thank You to The Outpost for donating the space!)

WHY?

- Meet your Neighbors! (light refreshments will be provided by neighbors and generous business members of our community)
- Meet representatives from your City Councilor's office (Ike Benton) and from the Mayor's Office (Richard Berry)
- Meet your State Representative's Office (Gail Chasey, District 18)
- Meet representatives of the Lead and Coal project
- Share your vision and your concerns regarding the neighborhood
- Elect the new UHA board of directors for 2011

We need YOUR input! Consider getting involved yourself and become active in the decisions being made around you! Only an informed neighborhood association can help solve problems.

Learn about the status of the Lead and Coal redesign, plans for neighborhood clean-ups, the annual Block Party, and more!

Support Your Local Businesses!

... this is especially important with the current construction challenges facing us all!

Your University Heights Association is online:
