(Thank You to The Outpost for donating the space!)

WHY?

- Meet your Neighbors! (light refreshments will be provided by neighbors and generous business members of our community)
- Meet your local government representatives: City Councilor Rey Garduño, State Representative Gail Chasey, and Mayor Berry's representative (invited)
- Meet your Neighborhood Association Board, and find out how YOU can get involved!
- Share your vision, your ideas, and your concerns regarding the neighborhood.
- Elect the new UHA board of directors for 2013

We need YOUR input! Consider getting involved and becoming informed and active in the decisions being made around you! Only an informed neighborhood association can help solve problems.
