

# STAY SAFE!

The University Heights Association with the Albuquerque Police Department is hosting a ***Stay Safe Meet and Mingle***. Get to know your neighbors, learn about crime in our neighborhood—and more importantly learn tips to ***stay safe***.

**7 p.m. Monday, September 24, 2012**

**Outpost Performance Space, 210 Yale Blvd. SE**

Sergeant Burke with Albuquerque Police SE Area Command will give us an overview on crime and safety in our University Heights Neighborhood, including traffic safety on Lead and Coal, and tips for staying safe. He will also be prepared to answer YOUR questions.

***Refreshments: bring a treat to share!***

## PARKING PERMIT REMINDER

In past years, the availability of permits at our Block Party had been a big draw. As the current city administration has declined to allocate staff to distribute permits outside of regular office hours, the UHA has decided to host this ***Stay Safe*** event instead.

To receive free parking permits for 1 or 2 cars you own and a guest permit, please complete and return an On-Street Parking Permit Application, available online at:

**<http://www.cabq.gov/parking/on-street-parking-permit-application>**

Applications must be returned in person to: City of Albuquerque Parking Division/ Plaza Del Sol, 600 2nd St. NW, Room 510, Albuquerque, NM 87102.

***BE SURE TO BRING:*** Government-issued ID, Proof of residency, AND Vehicle registration.

**Remember - Permits expire on September 30!**
