Re: Lead and Coal Safety Issues

Dear Mr. Gallegos:

PO Box 1293

Regarding items 1 and 2 (accident data for Lead and Coal; and reports of speed enforcement and related monitoring), we have no records that are responsive to your request.

Albuquerque

For future reference, this Department does not keep track of "accident data" for any particular intersection. It is possible that other entities or organizations in the metropolitan area may have such data.

NM 87103

Sincerely,
