

University Heights Association (UHA)

## Meet the Neighbors Mixer

Sunday, May 19 from 4:30 to 6:30 pm

at Differential Brewing Company  
500 Yale Blvd SE, Albuquerque

Get to know your neighbors! We won't be talking about zoning or City legislation (though we will answer questions if we can).

**This is a social event**, an opportunity to meet your neighbors, welcome Differential, and enjoy their pool table, their lovely backyard patio, and their beer—which is getting good reviews.

UHA will provide snacks and there will be a food truck on site if you want more than a nosh. Stop in at our UHA welcome table to learn about the association, then belly up to the bar for a beer.

**This is a free event but you're responsible for your own beer**
