"Collectively Revisioning the UHA Neighborhood"

Join us in a discussion about our neighborhood identity.

Join us for this year's UHA Annual Neighborhood Meeting. At this yearly meeting we will be engaging in a discussion about the vision that UHA neighbors have for the future of our neighborhood. Please bring your ideas and your voice to this annual meeting. We want to hear from everyone about how you see the UHA in the years to come. We will also be nominating and electing a new UHA board of directors and sharing some of what the board has accomplished in 2008. We hope you take this opportunity to learn about your community and share your ideas.

When:

Sunday, January 25 2009

from 2:00 to 4:00pm

Where:

Outpost Performance Space

210 Yale SE (2 blocks south of Central)

Refreshments will be served courtesy of your generous neighborhood residents.
